

City of... Black Diamond

Black Diamond is a rural community treasured for its deep history beautiful scenery and friendly Residents. The City of Black Diamond is located between Maple Valley and Enumclaw.

Parks, Recreation and Community Facilities -

The Black Diamond Utility Department implemented significant improvements to the tennis courts park in 2003. You can also visit the museum, Bookstore, and Bakery while in town. Some parks you can visit are Flaming Geyser State Park, Knotty State Park, and Konasket Palmer. You can also visit the Green River Gorge and Lake Sawyer. The Union Stump Park has been transformed from a tangle of blackberries and weeds into a delightful resting place complete with excellent historical information that furthers the goal of preserving Black Diamond's important history as it grows and expands.
