Edmonds

One of Washington's most picturesque waterfront communities, Edmonds offers visitors a seaside ambiance and residents an appealing, small-town quality of life.

Established as a logging camp over 100 years ago, Edmonds is now home to a marina and fishing pier, a senior center, and numerous beaches, parks, shops and restaurants. Other amenities include a well-respected school district, comprehensive healthcare through a regional hospital and associated services, churches, and a growing community college.

Edmonds is known regionally as an active arts community. Year-round festivals and events showcase the community's sense of pride and involvement.

From Edmonds, you can take the train 15 miles south to Seattle or 150 miles north to Vancouver, BC (2010 Olympics). Or ride a ferry across Puget Sound to the beautiful Olympic Peninsula.
