Fall City

Fall City, Washington is located 26 miles east of Seattle in the Snoqualmie Valley. It is home to roughly 5000 residents and many businesses. Fall City is unincorporated so it has no government. Despite that, things do get done!

Thanks to the Fall City Community Association and the hard work of dedicated residents, Fall City is always nicely decorated at Christmas time, has an annual Fall City Days festival, and has an official town clean up day. In 2003, the Totem Pole Garden was completed in the middle of town and is a beautiful addition to the community.

There are many great things about Fall City. It is located on the Snoqualmie River which runs parallel to the main street (Highway 202 aka Redmond-Fall City Road) through town. It is close to spectacular scenery, such as the Snoqualmie Falls and Mount Si and it hosts frequent performances and activities thanks to Fall City Arts.
