

City of... Anderson Island

As you drive through a park like setting on this beautiful 8.1 mile island, you will climb rolling hills, wind around on country roads lined with rich green foliage and mature trees. You will also enjoy salt and fresh water vistas as well as mountain views. Riviera Country Club housing development of 3,000 + lots offers to it's members a nine hole executive golf course, a salt water marina, two fresh water lakes that contain bass as well as trout for great fishing, tennis courts, and beautiful parks. It also offers a well facilitated campground. Also, the Anderson Island Parks and Recreation District provides the public with parks for swimming, trail exploring, picnicking, and playground fun.
