# Auburn

For over 100 years the city of Auburn has been providing visitors and residents with the opportunity to discover why this town is like no other. Auburn is the land of two rivers, home to two nations and spread across two counties. Located between Seattle and Tacoma in the shadow of Mt. Rainier, Auburn is the perfect place to work, play and spend a lifetime. It is a warm, embracing community where people still stop to say hello. Auburn is a community rich in history where you'll find new businesses mingling with old and a historic downtown getting acquainted with a new, modern facade.

Auburn is about one hour from Mt. Rainier, Crystal Mountain and Snoqualmie Ski Area. It is also home to several biking and walking trails, including the White and Green River trails and the Interurban Trail. Auburn has approximately 30 parks of all sizes for the whole family to enjoy. There are three golf courses in Auburn: the Auburn Golf Course, Washington National Golf Club, and Jade Green Golf Course & Driving Range.
