# Buckley

Buckley is a great place to make your home. Families enjoy the small, friendly and hospitable rural atmosphere Buckley offers. Located just far enough away from big city living, Buckley is just a short drive from the metropolitan areas of Tacoma and Seattle. We offer great schools, activities for senior citizens, youth, recreation, worship and business. Buckley is a place that embraces new ideas while providing a safe, friendly and relaxing atmosphere where individuals can live, work, play and raise a family. Our vision is to meet the needs of the citizens who live and work here and to enhance the active and entertaining lifestyle that so many visitors come back to time and time again.
