

# City of...

# Fife

Fife is a small city located east of Tacoma and consists primarily of businesses such as car dealerships and other highwayside businesses. Fife Heights, located on a hill beyond the incorporated bounds of the city, is a primarily residential area.

From the Library Reimbursement Program to an active and diverse Parks and Recreation offering, Fife is committed to its residents. The award winning Fife School District provides children with an excellent education, while local colleges and trade centers provide continuing education for adults.
