

City of... Lakebay

The Key Peninsula, west of Gig Harbor is a beautiful peninsula made up of 75 square miles at low tide and 65 at high tide and offers wonderful forested parks and scenic views as well as agricultural and maritime history. The community of Lakebay was named for adjacent Bay Lake

Browse Lakebay's shoppes for gifts, good restaurants, and places to stay overnight. For outdoor fun go fishing or camping at a nearby lake or park, or just take a short day trip through the scenic countryside.
