Marysville

As a place to live or visit, Marysville, pop. 36,210, is a vibrant city whose charm is exceeded only by the remarkable people who call it home. While the times are changing, the friendliness and hospitality that recall a simpler era haven't. Two major social-economic forces have transformed the face of the Marysville area for the better: The influx of sailors and their families stationed at Naval Station Everett, who have added character to our community, a burgeoning retail market in Marysville, and the economic revival of our good neighbors, the Tulalip Tribes, who have provided many jobs through their 227,000-square-foot Tulalip Casino, Quil Ceda Village Business Park, Seattle Premium Outlets, and 13-story destination resort hotel scheduled to open in 2008.
