# Stanwood

Stanwood is located less than one hour north of Seattle, far enough to be outside of the metro area, yet easily accessible to all that the city offers. Stanwood's local museum of history, the D. O. Pearson (Pioneer) House and Museum provides a wonderfully comprehensive perspective of the Stanwood area. The Stanwood Historical Society publishes a free guide for a historical walking tour that is both authoritative and interesting.

Stanwood hosts a variety of parks and recreational activities. Parks include Church Creek Park, Kayak Point Country Park and Cavalero Beach County Park. 43.6 acre Heritage Park includes ballfields, a Skateboard Park and playfield. While Camano Island State Park and Wenberg State Parks offer recreational opportunities and camping. Golf enthusiasts will appreciate Stanwood's beautiful and challenging public golf courses, Camaloch and Kayak Point Golf Courses.

Adventurous visitors to Stanwood may indulge themselves in air recreation compliments fo Paragliding and the Evergreen Soaring Club to test their wings.
