Bellevue (Beautiful view) is the 5th largest city in Washington and public schools are rated some of the best in the country. It is the high-tech and retail center of the King County Eastside. With an amazing skyline of high rises downtown, many neighborhoods still retain a small town feel with trees, parks and trails.

Bellevue is known for Bellevue Square for shopping, more than 100 parks, Botanical Gardens, Kelsey Creek Farm, Mercer Slough Nature Park and many seasonal events and festivals.
