The City of North Bend was originally platted as “Snoqualmie” in 1889. The community later became known as Mountain View and finally, due to the location near the bend toward the North of the South Fork River, it became the Town of “North Bend”. The City incorporated on March 12, 1909.

North Bend was made famous by the David Lynch television series *Twin Peaks* which featured Twede’s Café.

North Bend offers spectacular views and outdoor recreation opportunities. Hiking, fishing, biking, river sports, wildlife observation, parks and trails and just 5 minutes from Snoqualmie Falls.
