The City of Pacific is a small city located just 30 miles south of Seattle and 15 miles east of Tacoma. Pacific has grown from a small agricultural community into a regional partner in transportation, economic development and quality government.

With easy access to transportation, an educated workforce, and developing infrastructure, Pacific is a prime location to move or build a business. With a strong sense of community, quality schools, an recreational opportunities, Pacific is a great place to live and do business!
