Edmonds is a vibrant city located just 15 miles north of Seattle and 18 miles south of Everett and is accessible by the Sounder train, Community Transit bus, Washington State Ferries, motor vehicles and bicycles.

Edmonds was a well-established town by the turn of the century and the present urban form preserves many characteristics of its historic origins. The community's location along the slopes of Puget Sound provides many amenities along with beautiful views of the water and Olympic Mountains, beaches and waterfront parks with convenient access to the walkable downtown area.
